

MontanaCAN!

MONTANA COLLEGE ACCESS NETWORK

Montana College Access Network supports, serves, and enhances affiliate members in their efforts to increase postsecondary participation and completion for all Montanans. By working together to increase postsecondary opportunity, MCAN members are getting more students to, and through, college.

MCAN invites you to be a sponsor of our annual conference on **March 28-30, 2018 at GranTree Inn, Bozeman, MT**. As a sponsor, you would be supporting the efforts of MCAN while also receiving featured recognition during the conference. Join us in supporting college access and success for all of Montana's students!
