

SENATE EDUCATION COMMITTEE EMAIL:

Greetings, Senator _____

I'm writing as a quick introduction as one of your constituents. I work as an advisor with the TRiO program at the University of Montana (working with low-income and first-generation students). Additionally, I am a part of the Montana College Access Network (MCAN), working to ensure equitable access and success opportunities to post-secondary education for all Montanans.

Because of your role on the Education & Cultural Resources Committee, I wanted to let you know that I am happy to serve as a resource. My specific area of expertise is in understanding the needs for support for low-income and first generation college students, and my work with MCAN connects me to colleagues around the state in various roles throughout the education pipeline. Thank you for your public service in the upcoming legislative session. If I can be of any assistance in providing input on matters related to education, I would be happy to do so.

Best Regards,

Peter Donaldson

Thank you for your public service in the upcoming legislative session. I will be in Helena during the Session for an annual conference and will be following up with additional information as that gets closer to invite you to a reception for legislators – I'd love to meet you there (if not before). Thank you again for your work.
